RED CROSS DRIVE

When the huge Allied force strikes across the channel in the greatest military campaign in all history, it will be composed not only of the men and machines that must deal death to the enemy, but the men and equipment that will brave the battle to bind up the wounds of the fallen and save the lives of both friend and foe.

This will be just another job for the Red Cross in the ceaseless performance of its mission of mercy. For decades this great humanitarian organization in peace and in war has never failed to give aid to those in need regardless of race, creed or color.

The Red Cross Drive to raise $200 million—the minimum need—closes at the end of this month. Every person should give all he can in support of it. The extreme worthiness of this cause has been given practical recognition in the business-sponsored radio and newspaper advertising and in such donations as the $100,000 from Pacific Telephone company, $100,000 from Bank of America, and the $108,000 from Standard Oil Company of California.

Every dollar helps the boys in the foxholes, provides food and assistance for our soldiers in enemy prison camps, gives aid to the families of fighting men—in short, helps those who are now helping preserve America.

If you haven't given yet, give now—and generously.

REGISTER NOW!

Register now and be sure you vote in the primary election in May!

The ballot box is the voice of the people in a democracy. If the privilege to vote is ignored or neglected by a large part of the citizenry then we have a democracy only in name—not in fact.

There never was a time when it was so essential for the people to make themselves heard, to express their wishes through the power of the ballot. Too many of us wax eloquent in complaint about our government but when the opportunity comes to speak most effectively—with our vote—we are often "too busy" or we "forget" or we conclude that our "one vote won't make any difference" in the final outcome.

Registration for the primary election closes, April 6. In spite of the fact that California's population is a million greater than four years ago, registrations this year are below those of 1940. This ought not to be.

All who did not vote in the 1942 election, or have moved since November, 1942, or have changed their names by marriage, must register in order to vote.

So, register NOW—and be sure to vote!

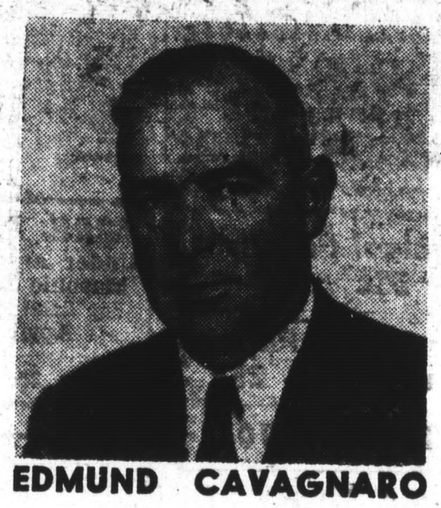
WE ASK OUR RETURN TO OFFICE AS

Representatives of the People of Daly City

JOHN J. FAHEY



EDMUND CAVAGNARO

If re-elected as City Councilmen, we pledge ourselves to continue to transact civic affairs to the best interests of the PEOPLE OF DALY CITY, and not as workers for any group of special interests.

Our present city council has achieved a splendid sense of cooperation in the administration of city business. It is probably more fully representative of the various local interests than at any time in our history. Since this assures full and complete discussion of any matters to be dealt with, there would be real danger in upsetting the "balance of power."

WHAT IS THE MEANING OF

"Let's Finish the Job"?

Two years ago a small group, under the name "Better Government Club" were successful in seating three candidates on the City Council. Now, with the other two seats to be filled, the club is widely advertising two candidates with a slogan, "Let's Finish the Job." Do you want all five members of the council to be named by this "club"?

For Your Best Assurance of Impartial City Government,

RE-ELECT

FAHEY and CAVAGNARO
CITY COUNCILMEN

SAFEWAY Homemakers' Guide

Julia offers 7 exciting ways to use eggs!

YOUNG BILL gave me his orders for lunch the other day: "And I'd like *three* eggs scrambled, please!" I couldn't help reflecting on two facts, first that teen-age youngsters have amazing appetites, and second that it's a good thing our farmers are sending so many eggs to market now.

And then I got to thinking about other uses for eggs—and how they can be an important part of every meal, right through the day. Examples:

EGG NESTS FOR BREAKFAST

Toast six 3½-inch rounds of bread on one side. Top toasted side with broiled or fried bacon or ham slice (these could be omitted if not available). Beat 6 egg whites until foamy; add salt and white pepper, continue beating until stiff but not dry. Pile meringue lightly on toast rounds; with rounded end of egg shell make slight indentation in each meringue; gently slip a yolk into center of each nest. Bake on cookie or baking sheet in moderate oven (350° F.) about 10 minutes or until egg yolk is set. Serves 6.

STUFFED EGGS FOR DINNER

6 hard-cooked eggs
⅜ tsp. salt
¼ tsp. prepared mustard
2 tbsps. mayonnaise
2 tsps. vinegar
¼ tsp. paprika
4 tbsps. butter or margarine
4 tbsps. enriched flour
2 cups milk
Coarsely grated cheese

Halve hard-cooked eggs. Combine yolks, ¼ tsp. of the salt, mustard, mayonnaise and vinegar. Stuff whites with mixture and sprinkle with paprika. Make cream sauce by melting butter or margarine in top of double boiler. Blend in flour, (curry may be added if desired). Gradually add milk, stirring until smooth. Cook over rapidly boiling water 10 to 15 minutes or until thickened, stirring occasionally. Add remaining salt. Pour sauce into heated serving dish and top with eggs. Sprinkle grated cheese over all. Serves 6.

OMELETTE SUPREME FOR LUNCH

6 eggs
1 tsp. salt
1 tbsp. enriched flour
¼ cup milk
2 tbsps. shortening

Beat eggs well; add salt, flour, and milk. Continue beating until light and foamy. Melt shortening in heavy frying pan; pour in egg-mixture. As mixture browns on under side, pull outside edges to center of the pan, letting the uncooked mixture run to the edges; continue until all of the mixture is set; cover; cook slowly until set and well browned, about 5 minutes. Uncover; cut one-inch slit on outer edge of opposite sides; fold through center; turn into hot serving platter. Serve immediately plain; or spread with preserves; or sprinkle with cheese. Serves 6.

And here are some more egg-ideas: To bolster vegetable salad, add sliced hard-cooked egg. For sandwich garnish, sieve hard-cooked egg. To make meat or fish loaves hold together, mix one raw egg to each cup of meat or fish. For a shining golden glaze on breads and biscuits, brush surfaces with well-beaten whole egg before baking.

Lavish Musical Now At Daly City

Metro-Goldwyn-Mayer, the company which gave film audiences the first great all-star picture, "Grand Hotel," and presented star-studded casts again in "Dinner at Eight" and "The Great Ziegfeld," does it once more in the lavish Technicolor musical, "Thousands Cheer." The film, which is now showing at the Daly City theatre, contains virtually every star on the M-G-M lot, the studio of big stars.

Kathryn Grayson, Gene Kelly, Mary Astor and John Boles head the cast in the delightful tale of the Army officer's daughter who undertakes a morale job at her father's camp and falls in love with an ex-circus performer and proceeds to make him the best soldier in camp.

In the course of the film a gigantic USO show is presented to the boys in camp. Among those who appear in the many acts are Mickey Rooney, Judy Garland, Red Skelton, Eleanor Powell, Ann Sothern, Lucille Ball, Virginia O'Brien, Frank Morgan, Lena Horne, little Margaret O'Brien, Marilyn Maxwell and Marsha Hunt and many others. Kay Kyser and his orchestra, Bob Crosby and his orchestra, Benny Carter and his band are among those who also perform.

"Date Conscious"? You'd Better Be--

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

October 31—shoe stamp 18 (in War Ration Book One) was to have expired but OPA extends expiration date until April 30, 1944.

November 1—Book Three "airplane" series stamp No. 1 became valid; good for one pair of shoes until further notice.

January 16—sugar stamp No. 30 in War Ration Book Four became valid and will be good for buying 5 pounds of sugar indefinitely.

February 27 — blue stamps A8, B8, C8, D8, E8 (Book Four) to be used with ration tokens came into use for processed foods.

February 27 — red stamps, A8, B8, C8 (10 point value each) in Book Four became valid, good through May 20 for meats, fats, cheese, butter.

March 12—red stamps D8, E8, F8 (Book Four) became valid for purchase of meats, oils and fats.

March 22—"A" gasoline coupons No. 11 became valid.

March 31, 1944 — deadline for inspection of tires for A book holders.

April 1—stamp No. 31 in Book Four becomes valid for purchase of 5 pounds of sugar.

April 1—blue stamps F8, G8, H8, J8, K8 become valid for purchase of processed foods; good until June 20.

April 15—declarations of estimated 1944 income tax are due.

April 30—stamp 18, Ration Book One, for one pair of shoes, expires.

May 1—another ration stamp will become valid for purchase of one pair of shoes.

May 20—blue stamps A8, B8, C8, D8, E8 for processed foods (Book Four) expire.

May 20—red stamps A8, B8, C8, D8, E8, F8 for meats, oils and fats (Book Four) expire.

May 31—tire inspection deadline for C coupon holders.

June 20—blue stamps F8, G8, H8, J8, K8 for processed foods (Book Four) expire.

June 21—A-11 coupons for gasoline expire.

June 30—tire inspection deadline for B coupon (gasoline) holders.

BROWN POINTS FOR WASTE FATS

For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she receives two meat points and 4c a pound.

CANNING SUGAR NOW AVAILABLE

Housewives may now get 5 pounds of canning sugar by using Stamp No. 40 in War Ration Book Four, OPA has announced, and additional canning sugar later will be available on application to local boards. Stamp No. 40 will be good 13 months, through February 28, 1945.

A Lift For Lenten Menus

HERE'S just the dessert to finish off that mid-Lenten dinner. Slices of Wartime Spice Cake and cups of full-flavored coffee as shown in the above picture will satisfy the family's longing for something really good to eat without dipping into your store of ration coupons. There's nothing like a satisfying dessert and rich, delicious coffee to top off a meal during Lent or any other time.

Have you been longing for a good piece of cake that didn't use up all the shortening and eggs in the house? Then this recipe is just what you need. It takes no eggs at all and uses unrationed suet as shortening. The unexpected and subtle flavor of coffee, which is used as part of the liquid in the recipe, accounts for the unusual flavor. Another point in its favor: this cake keeps indefinitely in a tightly-covered tin box. Here is the recipe for Wartime Spice Cake. Of course, it's tested.

Wartime Spice Cake

¾ cup strong hot coffee
¼ pound (1 cup) ground suet
½ cup molasses
½ cup sugar
2 cups raisins
1 cup currants or sliced figs
3 cup flour, sifted
1 teaspoon baking soda
1½ teaspoons cinnamon or allspice
1 teaspoon cloves
1 teaspoon nutmeg
1 teaspoon salt

Pour hot coffee over ground suet in mixing bowl. Add molasses, sugar, and fruit. Mix and sift the flour, baking powder and spices twice. Stir into first mixture and pour into a 10x4 inch pan and bake in a slow oven (325° F.) about 1⅝ hours. Note: ¼ cup ground orange peel may be added to the mixture.

Let's Have the Facts

Let's analyze statements made this week by Councilmen John J. Fahey and Edmund Cavagnaro in support of their re-election to the Daly City Council April 11:

They say "Daly City has a low tax rate."

We say—Daly City's tax rate of $1.09 is not low, and provides an annual revenue together with city license fees and state grants, of more than $160,000. According to the councilmen's figures only some $8,000 of this goes into so-called reserve funds.

They say "during our terms we have helped to obtain a new city hall, extensions of fire alarm and water systems, extensions of street paving, beautification of Marchbank Park, with one of the finest baseball parks in the state, and completion of Lincoln Park playground, radio system for modernization of our police department, improvement of the public library."

We reply—the new city hall was built from funds provided by bond issue approved by the people, and for which they are still paying, together with federal funds. In building the city hall the two incumbent councilmen were responsible for the construction of a building smaller than the old city hall, and which is utterly inadequate for the proper handling of the city's present business.

Extension of our fire alarm system was provided through funds from a bond issue voted by the people, and water service extensions were made through special assessments, despite the fact that the water returns net the city some $30,000 annually after all expenses including garbage collection are paid.

Street paving extensions have been nil in comparison with the amount of money the incumbents have spent in maintaining city government.

Beautification of Marchbank Park and completion of Lincoln Playground have cost the city thousands of dollars, and their statement that Marchbank Park provides one of the finest baseball lots in the state is true, but who is permitted to use it?

The radio system for the police department we have discussed before as one of the biggest jokes in city improvements, because of the fact the system is so constructed that the police station cannot communicate with patrol cars unless the call is sent through San Francisco and South San Francisco, where it is rebroadcast to our police cars. How fast could you get much-needed police aid with such a round-about system as this?

Improvements to the public library were made at considerable cost to the taxpayers, and after they were made the two incumbent councilmen forgot to insure them. Is that good business?

OUR FIRE DEPARTMENT

Now comes one of the most ridiculous claims yet made by the two incumbent candidates. They say—"Another major achievement was the establishment of our new fire department, a model of efficiency and maximum protection. This was accomplished by co-operation with the fire underwriters, resulting in the improvements' total cost being more than offset by lowered insurance rates within the city.".

This statement is really funny to those familiar with what actually happened. It was the FIRE DEPARTMENT ITSELF that went from door to door in the city soliciting support for the bond issue that made fire department improvements possible, while THE TWO INCUMBENTS SEEKING RE-ELECTION WERE OPENLY OPPOSED TO THE ENTIRE PROGRAM.

The firemen themselves had very definite plans for improvements, and it was these plans that sold the taxpayers on the bond issue. After the bond issue had passed and the money was available for spending the two incumbents seeking re-election threw the firemen's plans into the discard, and informed the firemen—"We run the city—We'll spend this money the way we want."

If plans submitted by the firemen themselves had been followed, Daly City would have had one of the finest fire departments on the Peninsula, fully equipped to handle all emergencies, especially those having to do with civilian defense. Fire insurance rates were lowered, but not through any effort on the part of the two incumbent city councilmen seeking re-election, and ONLY BECAUSE OUR FIREMEN WORKED NIGHT AND DAY TO GET THESE IMPROVEMENTS AND THEIR COST APPROVED BY THE PEOPLE.

Few city improvements have come out of the city's general fund from taxes, but have been financed by extra funds raised by bond issues the people approved.

Despite the fact most improvements have been financed by bond issue approved by the people, the two incumbent councilmen seeking re-election, the record will show, consistently opposed these improvements and the bond issues to finance them, even though the taxpayers approved them. These incumbents couldn't, or wouldn't, make needed improvements out of the general tax fund, and when the people took matters into their own hands and voted bond issues, these two councilmen, opposed as they were to the improvements, now are trying to take credit for them.

There is another issue of importance to the people, the conduct of our police department. The two incumbent councilmen now seeking re-election are directly responsible for the present setup in our police department, which is ridden with strife and disunity. We have excellent men on our force. Why should there be this disunity and inefficiency? Perhaps the two incumbents responsible can tell you. Perhaps, if they had adopted the merit system of city government provided by ordinance nearly 10 years ago, conditions like this would not now exist. Daly City voters expect the very best from their public servants, and Daly City voters are willing that these public servants be adequately protected in their jobs.

Such conditions as we have mentioned will NOT exist, if you
